We do not have responsibility with missing file of this book.

Call Arkady a clone with a conscience. Or call him a traitor. A member of the space-faring Syndicates, Arkady has defected to Israel with a hot commodity: a genetic weapon powerful enough to wipe out humanity. But Israelâ€™s not buying it. Theyâ€™re selling itâ€“and Arkadyâ€™ to the highest bidder.

As the auction heats up, the Artificial Life Emancipation Front sends in Major Catherine Li. Drummed out of the Peacekeepers for executing Syndicate prisoners, Li has now literally hooked up with an AI who has lived many lifetimes and shunted through many bodies. But while they have their own conflicting loyalties to contend with, together theyâ€™re just one player in a mysterious high-stakes gameâ€™.
